

Bjarne Staael

Title: MSc (Economics and Business Administration)

Born: 1957

In 1984, Bjarne Staael completed his MSc (Economics and Business Administration) from the Aarhus School of Business.

After his graduation Bjarne Staael was employed in the financial sector with various areas of responsibility within for instance equity research, securities trading and asset management. Bjarne Staael has had managerial responsibility for more than 30 years.

From April 2015 to July 2018, Bjarne Staael was the managing director of the investment management company, Jyske Invest Fund Management A/S, which manages Investeringsforeningen Jyske Invest, among others.

Bjarne Staael is 65 years old and lives in Aarhus.

Programme:

As a member of the Supervisory Board I will work to ensure that Jyske Invest is a widely recognised investment association which can fulfil the asset management requirements of the present investors and also attract new investors to the association.
